OUR VISION

Our vision is to enhance the community through empowerment and partnership, leading to a more joyous and fulfilling life for those whom we serve.

DREAM, PREPARE AND START...

The team at SVS work with you to understand the type of placement pathway that best suits your qualification and evidence requirements, utilizing and building on your skills, aspirations, and goals.

Flexible modes of delivery for capacity building and skills development programs for groups and individuals

Through our Pathways to Solutions' Program, we focus on achieving the best outcome in work placement journey.

Through our network of partners, we can offer a complete and diversified work placement experience to achieve outcomes required. The SVS team ensure the journey is a smooth transition and a rewarding experience for all.

Testimonials

"Social Vitality Solutions is a valued and highly regarded placement partner of Upskilled Pty Ltd. They have provided Upskilled students with diverse learning opportunities and ongoing support to help them to be successful in achieving their work placement requirements and often personal goals. The team at SVS has consistently demonstrated a professional, positive and flexible approach while supporting Upskilled students with varying work placement needs, playing an integral part in aiding our students to complete their qualification of study. We look forward to our continued collaboration with Social Vitality Solutions!"
